

CCM MARCH 27, 2013

- WESTVALE has been chosen by University of Virginia to be a TURNAROUND SCHOOL. This means there will be a lot of data tracking, pretesting, and testing. This program has been running for 11 years. The typical turnaround time is 18-24 months.
 - Questions we all had -
 - Does this mean more staff is needed?
 - Will PLC's be longer (recommended 90 minutes)?
 - Will assistants get to put in data or just teachers?
- SNAP PLAN- no changes
- Letter to West Jordan City was signed, put on Westvale letterhead and sent to WEST JORDAN CITY OFFICES.
- NEXT MEETING WILL BE APRIL 24, 2014
