

CCM NOVEMBER 13, 2014

- SAGE RESULTS
 - 38% language arts
 - 45% math
 - 36% science
- Westvale is no longer at the bottom!!!!!! Our math is above district %!
- We still have a long way to go, but have made great improvements.
- Sage testing measures proficiency to go to junior high, high school and to college.
- Every child is tested the same no matter what their learning level is.
- SAFETY- Watch cones in front of the school NO PARKING MEANS NO PARKING!
 - If parents are going to park in the golf course the children will have to walk to the crossing guard on 2200 West and then up Gardner Lane to their parents.
- AFTER SCHOOL TUTORING- tutoring will begin after the first of the year.
- COSTCO BREAD- Every Tuesday there will be free bread out in the Family Resource Center.
