Chair can help write agendas and co-chair the meetings

Discussed what the roles will be

- How and when the election will be announced, including the process for notifying the public
- Send out procedures for those who want to through parent square. Maybe send a personal email out to a specific parent who has expressed interest.
- Include grandparents who assist with co-parenting
- Post SCC agenda at the door- clarified, electronically is fine

How and when votes can be cast:

- Cast in person and at family events

2 consecutive missed meetings without prior notification could be grounds for dismissal.

Prior to that, we will reach out to that person and ask if they need assistance.

Voted in our Chair and vice chair

To report a conflict, refer to Policy DP381

Parliamentary Procedures and the ways they work

Angela & Marissa will be attending a meeting where they will learn more about the jargon
