School: Westvale Elementary

2023-2024 School Plan

*John Dewey is credited with saying, "We don't learn from experience. We learn from reflecting on experience."*

**Reflect on 2022-2023 TSSA Plan -- Consider the following questions or create your own:**

- How has our TSSA plan supported our schools' vision, mission, and beliefs?
- How has our plan supported the District's vision, mission, and beliefs?
- How has our plan improved school performance and student academic achievement?
- What action steps have had the greatest impact on school performance and student achievement?
- What have we learned?
- What are our next steps?

**Our goal was to increase academic growth in reading through the use of coaches, PLC's and targeted interventions. Our coaches worked with teachers through PLC's to increase the capacity of our teachers and fill the individualized needs of students. Administration provided both outside and internal professional development on best PLC practices. Coaches helped teachers implement programs such as Walk to Read, Heggerty, and Lexia. They helped teachers, through PLC's, track Acadience and progress monitoring data and make informed decisions on interventions for students. Coaches worked through coaching cycles with teachers and provided a focus on literacy skills.**

## 2023-2024 TSSA Plan
