Dear Westvale families,

I wanted to reach out to share some information with you. I recently applied for an open Administrator of Schools position for Jordan School District. Last night, I was offered the job and did accept the position, which starts immediately. I will be partnering with a number of schools and principals in the district as we work toward aligning goals and continual improvement.

It has been an absolute pleasure working for Westvale Elementary, their families and staff, over the last 2 ½ years. In that time we have accomplished so much together and I can't wait to see what the future holds for the school as you continue that positive momentum. Mr. Garrett York will continue in his capacity as assistant principal, and your new principal will be Mrs. Odette Desmarais. I have heard nothing but wonderful things and there will be more information coming on Mrs. Desmarais as she is introduced and gets started.

Again, thank you so much for all the support and encouragement you have given me as your school principal. You trusted me with the safety and education of your children and that was truly an honor.
