

## **Westvale School Community Council Meeting**

March 17, 2016

We discussed school pictures. Two different companies presented options. We heard from Eastman Adams and Life touch. Both companies had good packages. We decided to try Eastman Adams.

We discussed the lands trust money. The funds are being used for Brain Pop, a computer assistant, to purchase more books for the take-home library, and to cover the cost of a PE specialist.

The Fun Run is scheduled for May 27th. Costco will donate water? The Nike athletes are coming again this year.
